MEMORANDUM FOR: National Intelligence Officer for Strategic Programs
FROM: Director of Central Intelligence
SUBJECT: SS-17, SS-19 and MIG-20 Programs

I see somewhere that we are now estimating a smaller SS-17 and larger SS-19 program than we thought before, but that the Soviets are going to stay with the ~~SS-20~~ SS-20. I'd appreciate information on the evidentiary base and your feeling as to why they are moving in this direction. ☐
